GRAPE VINES,

Small Fruit Plants, &c.

SPRING, 1886.

LEWIS ROESCH, Fredonia, N. Y. TO THE TRADE:

WE HEREBY tender our hearty thanks to our friends and patrons for their liberal support and patronage the past year, which has enabled us to add materially to our facilities and conveniences for the correct, expeditious and economical prosecution of our business, for which we are truly grateful.

We invite all intending to buy grape vines to **correspond with us** and send for samples, which we will send at hundred rates by express, or by mail if 3 cents is added for every one year vine and 5 cents for every two year vine, to cover postage. All orders intrusted to us will receive such **Prompt and Liberal Treatment** as to merit further favors. We ask that you give us a trial, and we will show you that we can make it an object for you to deal with us.

Our vines are guaranteed to be healthy, pure, true to name and of quality represented. Should any mixtures occur we will cheerfully return the money paid for them or else replace them with such as are true, as the buyer may elect.

All packing is done in the best manner with Moss, and as lightly as is consistent with entire safety, for which no charge is made.

Our grape vines and part of the small fruits are stored in cellar, especially built for the purpose, and can be safely shipped by express or mail any time, and by freight as soon as weather permits, usually about March 1st.

Free delivery to Freight, Express or Post-office, after which our control and responsibility ceases.

Unless instructed to the contrary we reserve the right to fill orders for one year vines, with vines two years old of same size and price.

Being located within three miles of Dunkirk, which is the junction of numerous railroads, we have **unusual facilities for direct shipping** to all parts of the country. Shipping directions should accompany all orders. When none are given we exercise our best judgment but assume no responsibility.

Our residence, with office and cellar, is located on Berry street, within one-half mile of terminus of Street Railway connecting this place with Dunkirk, where we shall be pleased to see all of the trade visiting Fredonia.

TERMS CASH.—\$5.00 worth or more sent C. O. D., if desired, provided one-quarter of the amount accompanies the order. Bankable notes for 30 or 60 days, will be accepted from purchasers furnishing satisfactory bank references. Remit by express, postal order, check or draft on New York, but always at the expense of the purchaser, except amount be twenty dollars or more. **BOX, PACKING AND CARTAGE TO FORWARDING OFFICE, FREE.**
